February 2008

Dear Member

At last, spring is just around the corner and I am pleased to say that we have organised many wonderful activities for everybody from lead rein to senior members and enclose details of these for you. This year, with our website now well established and used by many of you, we thought we could send out details of our summer fixtures with this mailing, so that you can arrange your other activities around the pony club dates. More copies of all forms are available on the website in case these get lost. Please do not send in your forms for Summer Rallies or Senior Camp before 1st June, as you may forget what you have sent, or your circumstances change in that time. We have yet to finalise details of the fun show in August and Autumn Hunter Trial so please watch the website for these.

We were very sad to lose Jo Marriage from the committee at the end of 2007 – Jo has been involved with this branch for many years now and done most things from running junior and senior camps to instructing members of all ages. In her more recent role of Assistant DC, Jo has given me a great deal of support for which I have been most grateful. We wish her the very best of luck in her forthcoming travels and hope we will still see her from time to time at Branch events.

I have been pleased to welcome Susan Trembath onto the committee (or Pud as she is more commonly known) and she has already very kindly taken on the role of Membership secretary.

Please don't forget to keep checking our website – it is full of news, reports and schedules, not to mention some lovely pictures of members so please do continue to keep us in touch with how well you are doing and let us know of any news so we can keep our website up to date.

So it just leaves me to say look after your ponies by keeping them fit, have your tack checked for stitching and correct fit especially the saddle over the withers as your pony changes shape. As always, I am very happy for you to ring me with any queries or questions relating to your pony.

Look forward to seeing you all soon.

Yours sincerely

NICOLA STEVENSON
District Commissioner
